General backstage and technical information:

No Smoking

Smoking is **not** allowed in the building, and loadingdocks at all times. There is one smokersroom near the Red Hall stage area (groud floor).

Fire Proof Certificates and Restrictions

There are strict regulations governing the use of pyrotechnical devices, smoke and fire effects on stage. Please contact venue's production manager well in advance if your production involves anything like this. All scenery, back drops etc. must be flameproof and comply with all Dutch fire and safety regulations. The use of any kind of confetti, snow, glitter, foam or bubble machines is not allowed, unless otherwise agreed well in advance.

Green Room (Artiestenfoyer)

Situated on the first floor. Drinks are available for cast and crew. Free use of microwave.

If you have any questions regarding catering or hospitality, do not hesitate to contact venue's sales manager. (sales@meervaart.nl)

Hotel accommodation:

If you need hotel accommodation, we can assist with your reservation. Do not hesitate to contact us. sales@meervaart.nl

important notices

Please make sure we receive all relevant show information no later than 6 weeks before the day of performance: Please send to techniek@meervaart.nl

- technical rider, including stage plot and patchlist
- lighting plot
- hospitality rider
- backline: we will presume artist will carry all backline unless otherwise agreed
- travel party
- technicians group will bring
- means of transportation

Please contact venue's production manager 6 weeks in advance to the show to discuss the number of crew needed.

Please report any changes regarding get in time a.s.a.p. to venue. at least 4 days before the day of performance. Extra costs due to changes after this date may be for account of the artist.

De Meervaart venue is obliged to work according to the Dutch occupational health and safety regulations determined by the Dutch Labour Inspectorate. We expect you to do the same.

De Meervaart stage dept. works according to the general agreement of the VSCD. (Mantelovereenkomst van de VSCD – Nederlandse Vereniging van Schouwburg en Concertzaal Directies). This means: De Meervaart does not supply more technical crew as the number of visiting technical crew. Extra crew will be charged to the account of the artist.

All riders received after aforementioned time span shall be dealt with in the best possible way, without any guarantees as to their fulfillment. All extra costs resulting from this will be charged.

Please note:

Check www.meervaart.nl for an updated version. Contact us well in advance (at least 6 weeks before show) if these specs are not sufficient! If you have any questions regarding sound or lights, please contact: techniek@meervaart.nl, or Eric Schlaghecke (0204107727)
